The obligation to apply for and obtain the permit required herein is the responsibility of both the owner of the property and his electrical contractor or electrician, and the failure to obtain a permit when same is required shall be deemed a violation of this ordinance by both the owner and his electrical contractor or electrician.

Upon the issuance of a permit provided for herein, the applicant shall receive two copies, one to be displayed as hereinabove provided for, and the other to be delivered to the Electric Plant Board which will then issue the proper meter base called for in the permit. An additional copy of the permit shall be delivered by the City Clerk to the Electrical Inspector.

This ordinance shall be effective upon its adoption and publication according to law.
